

GENTLE PROCEDURES CLINIC

Dr. Emmanuel Kanu has a wide range of experience, including circumcision, sexual and reproductive health, pediatrics and immigrant healthcare.

Gentle Procedures Brantford clinic at Henry Medical Centre offers virtually painless circumcision for baby boys, as well as procedures for older boys and adult men. Our primary method, the Pollock Technique™, is known to be quick and effective, as well as relatively comfortable.

Infant circumcision procedures can be performed in just a few minutes. Dr. Kanu uses the most complete and extensive pain control methods available. This ensures that your son will feel little or no pain at all.

Dr Kanu offers at Henry Medical Centre Brantford:

- Fast, Friendly, Online & Telephone Booking
- Reliable Surgical Care
- Virtually Painless Procedures Under Long-Acting Local Anaesthetic
- 24/7 Aftercare and Support
- Experienced Physician
- Convenient Ontario Locations
